

Windrush Farm Stand 2011-2012 Order Form

(for subscription beginning the week of 9/14/2011)

A Delicious Way to Support Your School!

The Farm Stand is a unique subscription program providing fresh, local organic produce to Windrush Families and friends. Farm Stand volunteers and students separate produce into individual shares that you pick up on Wednesday afternoons. The farm stand brings the most delicious Bay Area bounty into children's hands each week while raising needed funds for the school. Ordering for your family, friends, neighbors or co-workers will help this program grow. It may just be the best thing you've ever tasted from a fundraiser!
