**REGISTRATION DEADLINE: Friday, January 20  
CLASSES BEGIN: Monday, January 23**

Chess  
Adventures

These classes are separate from the Windrush Afterschool Program, and are taught by individuals who contract with Windrush but may not be employees of the school. Sign-ups are on a first come, first served basis, and classes are limited in size.

You will only be notified if we are unable to enroll your child.

**Please make checks payable to the teacher, attach the check to the registration form, and bring it to the main office as soon as possible.**

**"Where should my child go? ":**

After dismissal from school, K-5 students should go directly to the Afterschool Program to wait for their specialist teacher and be signed in. At the end of the class the specialist teacher will deliver the students (who have not been picked up directly from class) to the Afterschool Program. Regular childcare costs are \$8.00 an hour for classes that begin more than 15 minutes after your child's dismissal from school. Your child's schedule of classes will be noted on our Sign-Out sheets.

**If the minimum student requirement is not met, a class may be cancelled.**

**Behavior Policy:**

Students are expected to conduct themselves in a manner which shows respect for the feelings, rights and property of others.

Students not abiding by the Windrush Bill of Rights, putting him/herself or others in danger or seriously disrupting the class may be subject to expulsion at the instructor's discretion. Fees may not be refunded.
