Dear Middle School Parents,

All Middle School students will be involved in service learning projects this year. Students will participate in an activity one Friday morning each month. These projects include working in elementary schools, visiting the elderly, helping the homeless and working to preserve the environment. The students will be involved in service learning projects from 10:00-11:30 a.m. on the following dates: October 1st, November 5th, December 3rd, January 7th, February 4th, March 4th, April 8th, and May 6th.

Each advisory group needs one or more parents to chaperone or drive students to the site. Please indicate below which date(s) you will be able to help. Please return this permission slip to the office by Friday, September 3rd.

Thank you for your help,

The Middle School Staff
